Milda Spindler Retrospective Art Exhibition

The New Orleans Art Association was recently sent an invitation by Steve Spindler, the son of our Lifetime Member Milda Spindler, who passed away in February of last year. Milda was a wonderful artist and overcame many obstacles that put our current difficulties into perspective. You can read about her life experiences by clicking this link. [Milda Spindler Obituary](#)

This will be an excellent exhibition of her work, and proceeds will benefit the Woodlands Conservancy. We hope you can attend!

Invitation:

The family of Milda Spindler cordially invites the members of The New Orleans Art Association, Jefferson Art Guild, and Metairie Art Guild to attend a retrospective art exhibition featuring her remaining works, held in conjunction with The New Orleans Arts District Art Walk on the first Saturday of March.

Milda Spindler was a lifetime member of the New Orleans Art Association, Jefferson Art Guild and Metairie Art Guild. Her passion and specialty were creating etchings and relief prints. Many of her prints feature the glimpses of the Louisiana swamps, coves and coastal marshes – birdlife, lush tropical plants, flowers and the trees native to the banks of the Mississippi River.
