## NOAA President's Letter by Michelle Eroche

### Parting Words

As the outgoing president of this esteemed organization, I want to extend my heartfelt gratitude to each and every member for entrusting me with this role. Serving as your president has been a deeply fulfilling experience, filled with creativity, camaraderie, and growth. Together, we've fostered a vibrant art community where artistic expression flourishes and friendships thrive. Your support, dedication, and passion have been the driving force behind our club's success.

I'd like to take a moment to personally give kudos and thanks to all officers, board members, and committee chairs who've worked diligently to provide meaningful content and fun events to our membership. Without them, I could not have functioned.

While my term may be coming to an end, the memories we've created, growth we've achieved, and bonds we've formed will continue. Thank you for allowing me to lead you, as well as be inspired by you. I'm looking forward to next year's events and surprises, and would like to wish much success to our incoming president, Patt Lemarie.

Viva L'association Artistique de la Nouvelle-Orléans!!!
