The excitement is building for the Jan Wilken grisailles/ watercolor workshop slated for early next month. If you haven't paid, and wish to participate, please see or contact, Libby McMeekin.

We have a treat this month, with a demo by Rhonda Craven, who paints such loose, and exciting watercolors!!

Congratulations, and thanks, go to Ria Russo, our newly elected vice-president, and Shirley Doiron, the new Parliamentarian!! Tony V. Is now sending out the Arty Facts. If you intend to make an announcement at the meeting, please write your information on an index card, (available at the front table) and give it to Tony. That way he will have correct info for the newsletter.

Gilda Thomas is now the chair for the Palmer Park Art Market. Please see Gilda about availability of any date you wish to participate with the association.

Gloria Willis has confirmed the date for a group Paint Out at Longue Vue House and Garden: Tuesday, October 24, with a meet and greet around 9 a.m, At 10, an artist demo, a noon break for a picnic lunch, then plein aire painting for those interested. This is open to the public, so invite your friends!! A \$5.00 donation to Longue Vue is requested.

Congratulations Pat C., on your wonderful painting of a white blossom, that was voted first place artist of the month for September! Everyone remember to bring your painting 15 minutes early to the meeting to compete in October's competition!

Looking forward to seeing you Thursday,*

Summer paintings

Shirley Doiron:

This is a 38 X 32” watercolor of one of my favorite subjects, the Louisiana Brown Pelican. I love the way he is soaring above the waves. I enjoyed painting the textural qualities of this guy.

Tony Vivirito:

This is a classic fighting cock in many old New Orleans backyards—one of my favorites. This is a watercolor which I rarely utilize.
