NOAA President's Letter by Michelle Eroche

IT'S THAT TIME OF YEAR...

Spring has sprung! It's that time of year in which we celebrate everything outdoors, attend weddings en masse, are bombarded with fairs & festivals, and generally have a full calendar of events to attend.

However, in that same breadth of activity, there are two events I invite all members to join in: The Member Show Reception at The Deutches House (April 20th) and The Spring Luncheon (May 16th).

Supporting fellow artists is vital for fostering a vibrant creative community. By uplifting each other, artists not only encourage individual growth but also contribute to the collective advancement of our organization, and art as a whole. This mutual support cultivates a culture of fellowship, inspiration, and even a sprinkle of innovation.

Ultimately, supporting fellow artists enriches the artistic landscape, promotes diversity of expression, and sustains the artistic journey for all involved. So join us as we celebrate our artists and each other.

~Michelle

Auctions in August Fundraiser

Daryl Johnson has volunteered to steer this project this year. She is offering to enter your items online for you and deliver them to the bank. If you would like to do this, please print and fill out the NOAA form, attach it to your donated artwork, and bring your donation to the May Luncheon meeting.

You can also choose to do your own online entry and donation delivery. As 100% of the proceeds for this fundraiser will go to NOAA, we much appreciate your participation.
